

## **Industree Co-founder, Neelam Chhiber to attend World Economic Forum, 2016 at Davos**

### **World Economic Forum is scheduled for 20th to 23rd January 2016**

The World Economic Forum, committed to improving the state of the world, is the International Organization for Public-Private Cooperation. The Forum engages the foremost political, business and other leaders of society to shape global, regional and industry agendas. Industree Foundation is excited to attend the forum and engage in discussions around Creative Manufacturing with global stakeholders. This year the Forum will be organized between 20th to 23rd January 2016 and will be focused on the theme 'Mastering the Fourth Industrial Revolution'.

For over four decades, the World Economic Forum's mission – improving the state of the world – has driven the design and development of the Annual Meeting Programme.

The Annual Meeting in Davos-Klosters remains the foremost creative force for engaging the world's top leaders in collaborative activities focused on shaping the global, regional and industry agendas.
